**RE:** Peter Vidrine announces his candidacy for  
U.S. Representative in Louisiana's 7<sup>th</sup> District for 2008

Eunice Businessman Announces Run for US Congress.

Peter Vidrine, a lifelong resident of Eunice, and businessman announced his candidacy for US Representative in Louisiana's 7th District. Peter Vidrine is owner of a technology services company, Sirius Technologies, in Eunice. Peter and his wife, the former Aline Saucier of Opelousas, are the parents of three children. They are members of Unity Baptist Church of Lawtell, where they are children's ministers.

"I intend to address many issues that are in urgent need of resolving. After far too many years of the working class of America being over-taxed and over-regulated, it is time to be represented by an independent whose only allegiance will be to the voters of the seventh District and the Constitution. Most of the problems facing our nation are the result of Washington bureaucrats brazenly disregarding the rule of law, the Constitution. We don't need new laws and more government, we need good representation," said Peter.

"The one cold reality is that America is in serious need of corrective leadership. The result of our legislators abdicating their responsibilities have left us in a crippling situation and all they're doing about it now is finger pointing. Gas prices are soaring beyond the reach of average citizens. Bank interest rates and fees for the poor and working class are extortionary and financially devastating. We're being suffocated with involvement in a war that never truly was America's war. U.S. Businesses are cutting and running to overseas locations while foreigners, including this nation's enemies, are buying up U.S. properties and industry."

Peter continued, "The fact is, we can do better, we deserve better. Freedom isn't just another word, it is the cornerstone of this nation's founding. Restoring Freedom will be the start to Restoring America to the Greatness it deserves. But we cannot remain free while banks are literally making the poor and working class economic slaves to over 100% Interest rates. We cannot remain free while Washington allows speculators and foreign cartels to drive up gas prices to the point where the average person has difficulty even driving to work. We cannot remain free while the President and the legislators continue involving us in a war that was entirely based on lies and vivid imaginations."

"The solution to our problems is amazingly simple. All it will take is good representation. Louisiana's 7<sup>th</sup> District is a great place to start"

Peter's official announcing ceremony will held on July 10, 2008 at 11:00 AM, in the lobby of the Eunice City Hall. Peter will be introduced by Eunice Chief of Police, Gary "Goose" Fontenot. Everyone is welcome to attend and Peter will spend as much time as necessary to speak to anyone wishing information.
